

Operational Harmony with Microsoft Dynamics 365

Juggling multiple locations can be tough. Dynamics 365 brings structure and clarity to your whole operation, making things easier.

1

Unified Platform

Finance, sales, operations, and service all together in one system. Everything you need, all in one place, simple and easy.

2

Global Business

Built for the world. Different currencies, tax laws, and regulations are no problem. Makes international operations simple.

3

Real-Time Insights

Dashboards and reports show what's happening locally and company-wide, instantly. Know what's going on at all times.

4

Flexible Workflows

Processes that fit your regional needs, from orders to HR. Customize things to fit the way you work. Adaptable to all.

Bring Order

Dynamics 365 aligns your business on one platform. Direction Software LLP can customize and deploy to fit your needs.
